FALL '24 & SPRING '25 RUSH

This Spring, we hosted Rush events right in the front yard of the Delta Tau Delta house, complete with campfires and a welcoming atmosphere that brought everyone together despite the chilly temperatures. It was a memorable start to building connections with our future brothers.

BROTHERHOOD RETREAT

Our Brotherhood Retreat took us to the stunning Blue Ridge Mountains, where several inches of snow transformed the landscape into a winter wonderland.

From snowball fights to fireside conversations, the retreat strengthened bonds and created memories to last a lifetime. It was the perfect escape to connect and recharge.

DELT SOCIAL EVENT

We kicked off the semester with a social event at Bar South, where brothers and friends came together for a night of connection and fun. The evening was filled with great conversations, good energy, and moments that strengthened the bonds that define our chapter, setting the tone for an exciting semester ahead.
