RIBBON-CUTTING CELEBRATION

Brothers and alumni gathered at the Shelter to commemorate the completion of the Centennial Campaign and officially reopen the chapter house. The event marked a historic moment for Gamma Psi, honoring a century of tradition while celebrating a new era of brotherhood and growth at Georgia Tech. FALL '25 RUSH

This semester marked an exciting milestone as we officially returned to the Shelter. Rush week brought great energy, new faces, and a renewed sense of brotherhood. We're proud to welcome eight new members to Gamma Psi and look forward to the year ahead as they begin their journey with Delta Tau Delta.

CENTENNIAL CAMPAIGN COMPLETION

To celebrate completion of the Shelter rebuilding, the Dedication event was held on September 6th prior to the first GT Football home game of the season.

The event celebrated the completion of our multi-year journey to transform the Delt house into the newest and most appealing fraternity house on campus.

Over 150 Alumni, Actives, VIPs, and guests attended the event that featured a ribbon cutting dedication and celebration with guests enjoying a tailgate BBQ with a DJ and tours of the new house. The comments from those attending were overwhelmingly positive about the new house and the way the historical features blend with the modern enhancements.

This link features a short video of the event: [Click Here for Video](#). While the physical construction of the house is now complete, we ask for your continued support.

If you made a pledge to the campaign that has a remaining balance, we ask that you complete your pledge payment in 2025.

New pledges and contributions to the Gamma Psi House Corporation in support of the Chapter is encouraged as they rebuild their membership and presence on campus. Simply, click this link to the Giving Site: 1810.wp.greekly.io

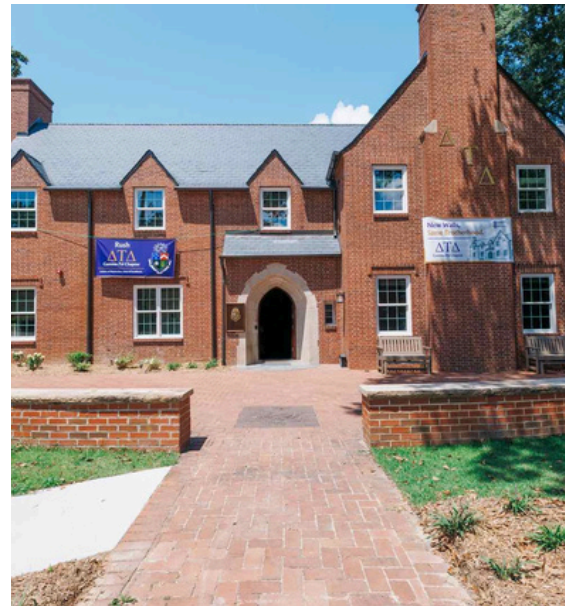

We encourage you to get involved with the Chapter. Stop by the house when on campus and meet the Actives. Building a vibrant connection between Alumni and the Chapter is critical to enhance and strengthen Delta Tau Delta at GT.

Thank you for your past and future support of the House Corporation and the Chapter.

Fraternally,

**Gamma Psi
House Corporation**

HOMECOMING 2025

Homecoming weekend is right around the corner, and we're looking forward to welcoming brothers and alumni back to campus. Join us for tailgates, chapter events, and plenty of Georgia Tech spirit as we cheer on the Jackets in a big matchup against Clemson.

WEBSITE UPDATES

We're continuing to enhance the GT Delts website, highlighting our chapter's history, events, and brotherhood. The latest updates make it easier to navigate, stay informed about alumni activities, and connect with the chapter online. These improvements help preserve our legacy while keeping current brothers and alumni engaged.

Explore the newest features and see what's changed at www.gtdelts.org!

PARENTS WEEKEND

Parents Weekend is always one of our favorite traditions, and this fall was no exception. Families joined brothers at the house for food, tours, and time together before heading to Bobby Dodd to cheer on the Jackets. It was a great opportunity to share the Delt experience with parents and alumni, reconnect, and celebrate our chapter's community.

BEACH WEEKEND

Brothers made the annual trip to Panama City Beach for a weekend of sun, sand, and brotherhood. The tradition remains one of the highlights of the semester, offering time to unwind, catch up, and enjoy a well-deserved break together.

SUPPORT THE LOCAL CHAPTER

After receiving requests from alumni to contribute directly to the active chapter, we've established a way to do just that. Your donation helps fund daily operations, leadership development, and events that strengthen the brotherhood and uphold our chapter's traditions. <https://gtdelts.org/donate>

Please note: contributions to the local chapter are separate from the Centennial Campaign and do not go toward house renovation funds.
